

## The 3<sup>rd</sup> Ottawa LOVES Aluminum cans!

That's right – we LOVE aluminum cans and we want you to give us as many as you can (yes that's a pun!). The 3<sup>rd</sup> Ottawa gets **CASH** for any recycled aluminum it can collect, by selling the aluminum (by weight) to Cohen's recycling. All we need YOU to do – is crush your cans and bring them in!

### **It's SO easy!!**

- Crush your aluminum pop and beer cans and keep them in a bag.
- If a MAGNET will stick to it, it ISN'T ALUMINUM!
- Every week, have your cub bring them to our meeting.
- Dump the cans out of the bag into the large plastic containers in the boys washroom off the gym.

We have some people doing this occasionally now, but if we ALL “pitch in”, we will really make a “dent” in our fundraising!!

**Thank you from the 3<sup>rd</sup> Ottawa!**
